- You can choose from the carefully curated range of prints I offer in my Etsy Shop.
- Or I can consult with you on the colours and themes you are working with and suggest some prints that might work for you.
- If you have a favourite fabric already that I don't keep in stock I will happily order it in for you.
- You can have your whole order made in one fabric or mix and match the prints for an eclectic look.

The Bunny Bosworth wedding range is made using genuine Liberty of London Tana Lawn fabrics. This classic textile is known the world over and is famed for its super fine texture, high quality and the myriad of colours and prints it is available in. If you're looking to co-ordinate your colour scheme across every aspect of your day then you'll be spoilt for choice with the range of Tana Lawns on offer.

“ THANK YOU
SO MUCH FOR THE
TIE/ POCKET SQUARE
AND THE MATCHING
HEAD BAND..
EVERYONE LOVED IT.
THE MATERIAL WAS
CLASS ”

“ MY HUSBAND WAS ABSOLUTELY DELIGHTED WITH BOTH TIES AND WAS COMPLIMENTED ON THEM NUMEROUS TIMES. THE TIES ARE BEAUTIFUL AND EXCELLENTLY MADE ”

The classic necktie is an eternally popular choice for weddings. Easy to wear with a wide range of suit styles and with numerous options for the knot itself it's a really versatile choice. What's more you'll be able to get lots of wear out of it in future too, a constant memento of the day .

- Available in standard 8cm width or narrow 6cm width.
- Made from superfine tana lawn with a satin facing and lightly interlined for softness and body.
- If you've got some taller members of the wedding party you can have the ties made extra long for a small additional charge.
- Each tie is packaged in a card gift box making it perfect for giving as a favour to your wedding party.

Bow Ties

- Available in a traditional self-tie style or as a pre-tied bow.
- Made from superfine Liberty Tana Lawn fabrics and lightly stabilised to achieve the perfect bow.
- Packaged in a card gift box for giving as gifts to your groomsmen.
- Both styles have an adjustable metal slider and hook to achieve the perfect fit for all sizes.

If you're looking for something a bit more out of the ordinary for your wedding day then a bow tie might be just the thing. A little less office appropriate than a necktie, and with bags of vintage charm, the bow tie is making a big comeback for weddings of all styles. Don't be put off by the daunting prospect of tying one either, with a little effort you can master the perfect knot, and it makes for some wedding morning photos (but if you want a pre-tied one I can do that too!)

“ THESE ARE SO
WELL-CRAFTED,
CAN'T WAIT TO
GIVE THEM OUT AS
GIFTS FOR OUR
WEDDING PARTY.
THANK YOU! ”

“THE BOWTIES,
POCKET SQUARE
AND CUMMERBUND
THAT WERE MADE
FOR ME AND MY
FIANCÉ ARE OF
FANTASTIC
QUALITY!”

A colourful pocket square is the perfect finishing touch for your wedding attire. Worn as simply or extravagantly as you like, the pocket square is a great way to show your personality. Have it made in the same print to match your chosen tie style, or if that's a bit much why not combine a patterned pocket square with a solid colour tie for just a hint of fun. And if you're after more than just a hint then mixing prints is the way to go!

- Each pocket square measures 36 x 36cm.
- Made from superfine Liberty Tana Lawn fabric, making it easy to achieve a crisp, clean fold or an artful scrunched effect.
- Pocket squares made to match your chosen tie are offered at a slight discount.
- Each pocket square, or matching tie set, is packaged in its own card gift box.
- Great to add on to plain ties bought elsewhere.
